Are you at least 55 and raising a grandchild?

There are resources and services designed to help you, the caregiver, provide the best care you can for your loved one AND allow you to take some time for yourself!

The NH Family Caregiver Support Program offers respite grants for grandparents and other relative caregivers who are 55 years of age and older. The respite grant funds help to provide occasional breaks for relatives by paying for child care, camp, structured after school activities, or homemaker services. You make the arrangements.
