

# YOUR PATH TO GUIDANCE SUPPORT CHOICE

The NH Balancing Incentive Program team is excited to announce the upcoming launch of the outreach and education campaign to introduce NHCarePath to the public. Through this effort, NHCarePath will be identified as a resource for finding long term services and supports in the community.

We are honored to have you as a valued partner of NHCarePath, and would like to provide you with resources to help you prepare for the outreach and education campaign.

To get you started, we have included training videos on the Balancing Incentive Program (BIP) as well as New Hampshire's role in the federal vision for the No Wrong Door (NWD) system. Through an in-depth understanding of BIP and the NWD system, you and your staff can prepare for the launch of the outreach and education campaign and help contribute to the statewide success of NHCarePath.

## **An Overview of the Balancing Incentive Program**

In this narrated presentation, you will learn about the Balancing Incentive Program (BIP), a federally funded program designed to provide greater access to home and community-based services and reduce the reliance on institutional services.
