

YOUR PATH TO
**GUIDANCE
SUPPORT
CHOICE**

Did you know that the NHCarePath website was designed to be a resource for professionals as well as for the people you serve? Haven't visited yet? Go to nhcarepath.org, and check out the ServiceLink **Search for Services** button to view a searchable database of community resources or click on the central navigation buttons to search by need. Visit the **Partner Resources** page to learn more about the Balancing Incentive Program and to find additional resources.

Over the next weeks and months, we will be working to continue to add resources and improve the website. Help us improve by participating in a brief survey on the home page under the **Tell Us What You Think** bar.
